“Authorised Users” means individuals who are authorised by an Authorised Institution to access the Authorised Institution’s information services whether from a computer or terminal on the Authorised Institution’s Secure Network, or off site via a modem link to a valid IP address on the Authorised Institution’s Secure Network and who are affiliated to the Authorised Institution as a current student, faculty member or employee of the Authorised Institution. Persons who are not a current student, faculty member or an employee of the Authorised Institution, but who are permitted to access the Secure Network from computer terminals within the Library Premises [“Walk-In Users”] are also deemed to be Authorised Users, only for the time they are within the Library Premises. Walk-In Users may not be given means to access the QUESTEL Database when they are not within the Library Premises.

A cache server or other server or network which can be accessed by unauthorised users is not a Secure Network for these purposes. The Secure Network is the sole responsibility of the Licensee and of the Authorised Institutions.

"Sub-Licence Agreement" means such sub-licence as may from time to time be granted by the Licensee to Institutions for accessing the QUESTEI Database in the form as set out in Schedule 4.

In default of agreement upon whom to appoint as a suitable expert, such expert shall upon request of either party be appointed by the President of the court in charge in Paris.

14.3 Any person to whom a reference is made under Clause 14.2 shall act as an expert and not as an arbitrator and his decision (which shall be given by him in writing and shall state the reasons for his decision) shall be final and binding on the parties except in the case of manifest error or fraud.

Acceptance shall be by delivery of a completed, signed and stamped copy of the Acceptance of Sub-Licence Form attached hereto to LIBRARY. Acceptance shall be acceptance of all terms of this Sub-Licence. In the event that no or partial compliance is made as to the manner or form described for acceptance, no sub-licence will be granted and this offer is deemed withdrawn.

**RECATALS**

WHEREAS QUESTEI. owns all rights and title to the QUESTEI. Database;

AND WHEREAS by an agreement between QUESTEI. and LIBRARY, LIBRARY is permitted to sub-license the access and use of the QUESTEI. Database to the Sub-Licensee in accordance with the terms of this Agreement.
LIBRARY AND THE SUB-LICENSEE AGREE AS FOLLOWS:

1.1 In this Sub-Licence, the following expressions shall have the following meanings:

"Authorised Users" means individuals who are authorised by the Sub-Licensee to access the Sub-Licensee's information services whether from a computer or terminal on the Sub-Licensee's Secure Network, or off site via a modem link to a valid IP address on the Sub-Licensee's Secure Network and who are affiliated to the Sub-Licensee as a current student, faculty member or employee of the Sub-Licensee. Persons who are not a current student, faculty member or an employee of the Sub-Licensee, but who are permitted to access the Secure Network from computer terminals within the Library Premises ["Walk-In Users"] are also deemed to be Authorised Users, only for the time they are within the Library Premises. Walk-In Users may not be given means to access the QUESTEL Database when they are not within the Library Premises.

"Commercial Use" means use of the whole or parts of the QUESTEL Database with a view to a commercial gain.

"Educational Purposes" means for the purpose of education, teaching, non-commercial distance learning, private study and/or research.

"Fee" means the fee as set out in clause 8 and subsequently in Schedule 1.

"Intellectual Property Rights" means patents, trademarks, trade names, design rights, copyright (including rights in computer software and moral rights), rights in know-how and other intellectual property rights, in each case whether registered or unregistered and including applications for the grant of any of the foregoing and all rights or forms of protection having equivalent or similar effect to any of the foregoing which may subsist anywhere in the world.

"QUESTEL Database" means the material listed in Schedule 2 or in new Schedules to this Sub-Licence that may be agreed by the parties from time to time.

"Library Premises" means the physical premises of the library or libraries operated by a Sub-Licensee.

"Sub-Licensee" means the sub-licensee whose details are set out in the Acceptance of Sub-Licence Form attached hereto and made a part hereof.

"Secure Network" means a network (whether a stand alone network or a virtual network within the Internet) which is only accessible to Authorised Users whose identities are authenticated by the Sub-Licensee at the time of log-in and periodically thereafter consistent with current best practice and whose conduct is subject to regulation by the Sub-Licensee. A cache server or
other server or network which can be accessed by unauthorised users is not a Secure Network for these purposes.

"Simultaneous users" means the number of Authorised Users per each Authorised Institution who can access the QUESTEI Database and conduct search at the same time.

License Agreement between QUESTEL and LIBRARY to terminate.

8.4 Further notwithstanding anything to the contrary herein, upon a material or persistent breach
by the Sub-Licensee, on-line access to the QUESTEL Database shall be terminated. All other
rights will be automatically terminated, except for such rights of action as will have accrued

10.1 The Sub-Licensee represents and warrants that it has sufficient authority and rights to enter
into and perform its obligations under this Agreement.

10.2 LIBRARY represents and warrants that it is entitled to grant the Sub-Licence in this
Agreement and that the use of the QUESTEL Database by the Sub-Licensee and Authorised
Users in accordance with the terms of this Agreement shall not infringe the copyright or other
proprietary or intellectual property rights of any natural or legal person. The foregoing shall
not apply to improper usage of the QUESTEL Database by the Sub-Licensee or Authorised
Users. LIBRARY makes no representation or warranty, and expressly disclaims any liability

rights, moral rights, or the disclosure of confidential information.

10.3 The Sub-Licensee agrees to notify QUESTEL by email sent to adv@questel.com and
LIBRARY immediately and provide full particulars in the event that it becomes aware of any
actual or threatened claims by any third party in connection with works contained in the
QUESTEL Database. It is expressly agreed that upon such notification, or if QUESTEL
becomes aware of such a claim from other sources, QUESTEL may remove such work(s)

10.4 Nothing in this Agreement shall make the Sub-Licensee liable for breach of the terms of this
Agreement by any Authorised User provided that the Sub-Licensee did not cause, knowingly
assist or condone the continuation of such breach after becoming aware of an actual breach
having occurred.

10.5 Subject to the above and to the extent permitted by law, neither QUESTEL nor LIBRARY

Database is provided on an "as is" basis, and QUESTEI. and LIBRARY disclaim any and all other warranties, conditions, or representations (express, implied, oral or written), relating to the QUESTEI. Database or any part thereof, including, without limitation, any and all implied warranties of quality, performance, merchantability or fitness for a particular purpose. LIBRARY further expressly disclaims any warranty or representation to Authorised Users, or to any third party. QUESTEI. and LIBRARY accept no liability for loss suffered or incurred by the Authorised Institution or Authorised Users as a result of their reliance on the QUESTEI. Database.

10.8 The Sub-Licensor represents to LIBRARY that its computer system through which the QUESTEI. Database will be used is configured, and procedures are in place, to prohibit access to the QUESTEI. Database by any person other than an Authorised User; that it shall inform Authorised Users about the conditions of use of the QUESTEI. Database; and that during the term of this Agreement, the Sub-Licensor will continue to make all reasonable efforts to bar non-permitted access and to convey appropriate use information to its Authorised Users.

11. FORCE MAJEURE

11.1 Either party’s failure to perform any term or condition of this Agreement as a result of circumstances beyond the control of the relevant party (including without limitation, war, strikes, flood, governmental restrictions, and power, telecommunications or Internet failures or damages to or destruction of any network facilities) ["Force Majeure"] shall not be deemed to be, or to give rise to, a breach of this Agreement.

11.2 If either party to this Agreement is prevented or delayed in the performance of any of its obligations under this Agreement by Force Majeure and if such party gives written notice thereof to the other party specifying the matters constituting Force Majeure together with such evidence as it reasonably can give and specifying the period for which it is estimated that such prevention or delay will continue, then the party in question shall be excused the performance or the punctual performance as the case may be as from the date of such notice for so long as such cause of prevention or delay shall continue.

12. ASSIGNMENT

12.1 Neither this Agreement nor any of the rights under it may be assigned or sub-licensed by either party without obtaining the prior written consent of the other party. All the terms of this Agreement will be binding upon any permitted successor to any party.

13. GOVERNING LAW AND DISPUTE RESOLUTION

13.1 This Agreement shall be governed by and construed in accordance with French law and the parties irrevocably agree that any dispute arising out of or in connection with this Agreement will be subject to and within the jurisdiction of the French courts.

13.2 Where the parties agree that a dispute arising out of or in connection with this Agreement would best be resolved by the decision of an expert, they will agree upon the nature of the expert required and together appoint a suitable expert by agreement. In default of agreement upon whom to appoint as a suitable expert, such expert shall upon the request of either party be appointed by the President of the Law Society of France.
13.3 Any person to whom a reference is made under Clause 13.2 shall act as expert and not as an
arbitrator and his decision (which shall be given by him in writing and shall state the reasons
for his decision) shall be final and binding on the parties except in the case of manifest error
or fraud.

13.4 Each party shall provide the expert with such information and documentation as he may
reasonably require for the purposes of his decision.

13.5 The costs of the expert shall be borne by the parties in such proportions as the expert may
